

YUKON SENIORS DISCOUNT LIST

The qualifying age to be a senior varies throughout town. Most businesses are fairly flexible with this, but they don't want to insult anyone by offering a seniors discount. *BE SURE* to ask if a seniors' discount is available. Have a piece of I.D. handy just in case they ask. **If you have any additions to this list, please call me at 668-3383**
